Description

D6 Christian Education Conference is a three-day, streamed event that will equip and empower believers to grow through our current crisis. It will provide participants with practical keys, insights, and principles to apply to their lives to achieve God results.

The aim of this conference is to answer the following questions:

1. What is the believer learning from the crisis?
2. What adjustment(s) do believers need to make in order to be more productive during this crisis to achieve God's results?

We will cover the following areas in a panel discussion forum: *Growing The Church Through Crisis, How to Deal With The Cheese When It's Already Been Moved, Ministering In This Digital Age, Mourning In Isolation, What Am I Going To Do With My Kids, and Speak Up.*

Anchor Verses: James 1:2-4, Psalm 119:71, Romans 8:28

James 1:2-4 NLT

Dear brothers and sisters,[a] when troubles of any kind come your way, consider it an opportunity for great joy. 3 For you know that when your faith is tested, your endurance has a chance to grow. 4 So let it grow, for when your endurance is fully developed, you will be perfect and complete, needing nothing.

Psalm 119:71 NLT

My suffering was good for me, for it taught me to pay attention to your decree
