FACTS ABOUT FAITH

1. Faith is necessary for salvation—[Romans 10:8-10](#), [Hebrews 11:1](#), [Galatians 3:26](#) NLT, [John 1:12-13](#). Faith makes it possible to accept Jesus as Lord and to share life in the Holy Ghost. Faith is always proactive.
2. The Word of God is the source of faith—[Romans 10:17](#).
3. Faith is a fact, not a feeling. You don't have to feel it to believe it.
4. Having faith means that no proof is required. Faith is its own proof. Faith is the assurance that the things revealed and promised in the Word of God are true, even though unseen, and gives the believer a conviction that what is believed will come to pass.
5. Faith is a supernatural gift from God to the believer—[Ephesian 2:8-10](#) NKJV. Therefore, you cannot have faith in God without a relationship with God.
6. Faith is seen through your actions—[Mark 2:5](#).

7. If there is no action, there is no faith—[James 2:20](#). Therefore, faith is not good intentions.
8. Faith speaks and causes things to change—[Matthew 17:20](#), [2 Corinthians 4:13](#).
9. Faith can only grow through obedience—[Luke 17:6](#).
10. Faith causes obedience to God's Word—[John 14:15](#).
11. The true believer walks by faith—[2 Corinthians 5:7](#).
12. An effective prayer life is only possible through faith—[1 John 5:14-15](#).
13. Not being able to or willing to do what God requires is evidence that you do not have faith.
14. Faith puts you in right standing with God—Righteousness ([Genesis 15:6](#), [Romans 4:3](#)).
