**Faith Discussion**

Faith is based on who God is and what Jesus did—the Gospel (**Romans 1:16, 1 Corinthians 15:3-7**).

How does one get faith—**Romans 10:17** NLT; **Romans 10:9-10, 14-17** NLT.

Faith is real. It takes form in our lives through our actions. Faith without works is dead—**James 2:20**. Then, it turns into a belief that sustains us through trials.

Faith is confidence in God. I believe God is who He says; therefore, I believe what He says. Therefore, I take action by doing what He says.
