What Is Your Faith Doing?
Mark 5:2-12 NLT

- FAITH trusts Jesus to do what He says or has already done.
- FAITH moves, expecting Jesus to do what He said.
- FAITH overcomes obstacles to receive what Jesus promises.
- FAITH always succeeds (Gets Results!)

In **Chapter 1**, see what Jesus does. Jesus always moves before He asks us to have faith.

- He is seen casting out demons—**Verse 25**. The news spreads about Him.
- He is seen healing Peter's mother-in-law who was sick in bed with a fever—**Verses 30-31**.
- He is seen healing many who were sick and demon-possessed.
- He is seen healing a man who has leprosy—**Verses 40-41**. So many people came to Him that He had to stay in secluded places—**Verse 45**.

In **Chapter 2**, we see what faith does.

1. Faith is always following Jesus—**Verses 1-2**.
2. Faith is drawn to Jesus because faith knows that He is the answer and always is the solution to our problems—**Verse 3**.
3. Faith is always active in getting others to Jesus—**Verse 3**.
4. Faith responds in a physical way—**Verse 3**.

5. Faith overcomes obstacles to get results—[Verse 4](#).
6. Faith is seen because of an action taken—[Verse 5](#).
7. Jesus sees faith and responds—[Verse 5](#).
8. Faith proves the authority of Jesus—[Verses 8-9](#).
9. Faith causes the Power of God to be displayed—[Verses 11-12](#).
